

CAREER EXPLORATION

“You do your best work if you do a job that makes you happy.”

-Bob Ross

KINDERGARTEN, 1ST & 2ND GRADES

At School:

- Learn about community helpers
- Students share with each other about careers they know of
- When I grow up activities

3RD, 4TH & 5TH GRADES

At School:

- Connect interests to career exploration
- Learn about career clusters
- Understand how school experiences relate to the world of work
- Participate in on-line career exploration

6TH & 7TH GRADES

At School:

- Use self assessments to find careers that are interesting
- Learn about education and training requirements of different jobs

8TH GRADE

At School:

- Complete a four year educational plan as required by the state of Iowa
- Prepare for and attend the Scott County Catholic Schools Career Fair at St. Ambrose University

SCOTT CO. CATHOLIC SCHOOLS CAREER FAIR

- Each spring the 8th grade students spend a day at St. Ambrose University exploring future pathways
- Students visit with representatives from many professional fields including area businesses, non profit & community agencies, colleges and universities
- Dressed professionally, students learn first hand about careers and fields of study that interest them

CAREER FAIR CONTINUED

- Tours of campus and a short workshop with an SAU professor help students connect educational experiences to potential careers
