

Lourdes Summer Program

We are excited to celebrate the summer with your child! Our summer will be filled with fun activities, learning opportunities, and lots of outdoor play at the Lourdes Summer Program!

Since we want to give your child the opportunity to participate in activities, games, and learning appropriate to their age, we will be dividing the kids into groups throughout the day. Remember, your child's age will be based on the grade they are going to be in for the 2017-18 school year.

Field trips will be scheduled throughout the summer. You will be notified of our field trips via email.

Our registration sheets are attached, and should be completed and returned no later than Monday, May 8th! You can register for particular weeks, or certain days of the week. Or, you can register to be with us for the entire summer! ☺

Once you are registered to attend the summer program, you will receive more information about the details of the program, including drop off, special events, permission slips, and any other paperwork you will need to complete.

SCHEDULE

We will be utilizing the Little Lancer Center and the school classrooms, gym, computer/library space, and Big Toy playground. Our programs are open from 7:00-5:30 Monday-Friday, with the exception of Tuesday, July 4th.

Our preschool, pre-kindergarten, and kindergarten students will have the option of signing up for summer care June 5th- August 18th. Our 1st-6th grade students will have the option of signing up for summer care June 5th- August 11th.

*****Please note: There will NOT be summer care available for the 1st-6th grade students August 14th-22nd.** The first day of school is Wednesday, August 23rd.

LUNCH, ETC

Hot Lunch is not provided during the summer program, so you will need to **send a lunch to school with your child every day**. We will provide white milk and water for lunch, and an option of water or juice for AM and PM snack. We will provide a morning snack around 9:30 and an afternoon snack around 3:00.

We will provide bug spray during the summer. **We ask each family to donate one bottle of sunscreen to the program.** If your child requires special sunscreen, no problem! Please provide what you want them to use and we will put your child's name on it for their use only. For all other children, we will share sunscreen from the donated bottles. *All children must have a sunscreen permission slip on file before summer begins*, which will be sent to you with additional paperwork once you are registered.

READING ENRICHMENT

All of the children will have at least an hour of literacy enrichment every day. For our preschool, pre-kindergarten, and kindergarten children, this will be done in the morning in small group learning centers. For our 1st-6th grade students, this will be quiet reading time, writing, and illustrating. If your child is in 1st-6th grade, please make sure they bring a book(s) with them every day so they can participate in this enrichment. We will provide journals for their writing and illustrating. They will have their own "cubby" to use at the school, so they are able to keep their books, etc here if they prefer.

We will also be offering daily Bible lessons as enrichment activities throughout the summer, along with some time on the school computers and I-Pads. More details about what we will be doing during these enrichment times will come home in your weekly newsletter via email.
