

LCS SKI CLUB – Winter 2012 / 2013

Dear Middle School Families,

Winter is just around the corner! It's time to get signed up for the Lourdes Ski Club. If you are interested in having fun while skiing or snowboarding at our local ski resort, then the Ski Club is for you! Snow Star is located in Andalusia, Illinois, about a 25 min. drive from Lourdes.

Snow Star offers a VIP season pass (meaning you simply arrive, get your skis on, wear your armband pass, and hit the slopes!) for \$260. By signing up for your VIP season pass through the Ski Club, you will be able to take advantage of the group rate. **If we have 10 people sign up, then the rate goes down to \$154. If we have 20 people sign up, the rate goes down to \$144.** In other words, the more people we have in our ski club, the lower the season pass rate.

If you are interested, please contact either **Sarah Leinart** at sarahleinart@gmail.com or (563)528-9820; or **Jayne Field** at fieldjayne@gmail.com or (563) 508-2194.

To sign up, simply contact one of us, provide your child's name, phone number, home address, and an e-mail address. Once we have a final count, we will know the exact discount rate for the season passes. You can plan on the rate being somewhere between \$142 and \$154, depending on how many sign up. Please keep in mind that siblings and parents are able to sign up for this group rate as well.

You **MUST** let us know as soon as possible if you would like to participate in the Ski Club season pass rate. **The deadline for this rate is AUGUST 31st!!!** Snow Star requires us to pay with a single payment. Therefore, checks will need to be made out to Jayne or myself. Exact payment will be determined once we have a final count of Ski Club participants.

For more information on Snow Star, please check out their website at www.skisnowstar.com If you have any questions about the season pass or anything else concerning the Ski Club, please contact Sarah Leinart.

Sincerely,

Sarah Leinart and Jayne Field

I
