REPORTS

President (Angie)

- Reviewing the 1st day of School vs EPI options for pre-ordered school supplies / fundraiser for school will discuss in more detail in January (see attached comparison for reference)
- Schedule finalized through the end of the year. See end of report for dates / times.

President Elect (Lindsey Jennings)

- DVD Sales were above goal (total = 90!). T2 productions was really great to work with, and we hope to continue the tradition. DVDs should be sent home in backpacks by Dec 20/21.

Treasurer/Treasurer-Elect (Mary Guy / Rebecca Gimbel)

- Actuals vs Budget Report attached (through November 30th 2018)
- Scrip profit on the budget report is thru 10/31. We are trending well here, as at the same time last year, our profit was less than \$3k. November/December will be strong Scrip months too. We will continue to monitor Scrip profit thru the year and make adjustments to expenses, if necessary.
- There have been no other notable unusual items, but rather the normal expected expenditures (i.e. St. Nick's Shop inventory, teacher classroom supplies, Donuts with Dad, etc).
- Mary will be working with Rebecca to help transition her into the Treasurer role over the next few months.
- Will also be working on getting all Treasurer information (including procedures) uploaded to the Google share drive.
