

Transportation & Scheduling for Lourdes Students Taking Class at Assumption

Parents of Lourdes students taking class at Assumption will arrange for transportation to Assumption, arriving for the first period (class begins at 7:45am). At the conclusion of first period, Assumption will transport the students to Lourdes via bus, where they will attend study hall until the first period is complete at Lourdes.

Generally, Lourdes follows the Bettendorf school calendar, which is slightly different from the Assumption calendar, so parents need to be aware of the Assumption calendar (found at www.assumptionhigh.org). With limited exceptions, students are expected to attend class at Assumption when Assumption is in session, even if Lourdes is not in session.

	Assumption: In Session	Assumption: No School by schedule or Snow Day	Assumption: Delayed Start
Lourdes: In Session	Parents transport students to Assumption, and Assumption buses students to Lourdes after class.	Students go directly to Lourdes for 8:30am start.	No Class; students go directly to Lourdes for 8:30am start.
Lourdes: No School by schedule or Snow Day	Parents transport students to Assumption, and parents pick up students at Assumption at 8:30.	No Class	No Class
Lourdes: Delayed Start	Parents transport students to Assumption, and students remain at Assumption for Study Hall until being bussed to Lourdes at the delayed start time.	Students go directly to Lourdes for delayed start	No Class; students go directly to Lourdes for delayed start.

There will periodically be days where Assumption does not have regular classes and students will go directly to Lourdes (Iowa Assessment testing days, etc). Assumption teachers will remind students as these instances occur. If there is any question, please access Assumption's website.

If a Lourdes student is going to miss class at Assumption, the parent should call Assumption (563.326.5313) to report the absence.
