# HOW TO STAY CONNECTED AS A FAMILY OF FAITH WITH LOURDES YOUTH MINISTRY

## SIGNUP TO BE CONFIRMED

At Lourdes, our Confirmation program is a two-year process, typically completed in freshmen and sophomore year. Registering for Confirmation prep involves meeting twice a month (virtually or socially distant) for 1 hour sessions from October - April and working through the Chosen curriculum.

## SIGNUP FOR A GROW GROUP

We need others beside us to walk this journey of life and faith. Grow groups are essentially small faith sharing groups. Groups of 6-8 students and 2-3 adult leaders meet (virtually or socially distant) about every other week to discuss the ups and downs of life and living as a young disciple of Jesus.

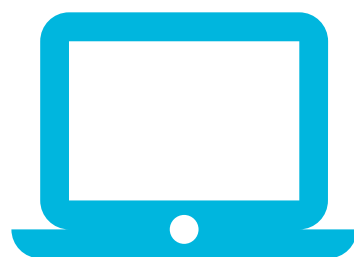

## WEEKLY CHALLENGE GROUPS

Not able to commit to a regular meeting or want to be involved at your own pace? Sign up for either our middle school or high school weekly challenge groups. Each week, using Flipgrid, a short video or topic will be sent for students to think about and focus on during the week. Students can also reply to topic prompts and creatively share their thoughts via short videos.

## VISIT THE ONLINE MINISTRY HUB ON OUR WEBSITE

There are no shortages of videos, articles, and other resources to help you live faith out at home and in your everyday world. We have collected and will continue to update some of our favorites on our website so that you can grow in faith with your family and from the comfort of your own home. See the website link below.

## STAY INFORMED AND CONNECTED VIA FLOCKNOTE

Our whole parish has implemented Flocknote to help our parishioners stay better connected and informed about opportunities and events happening within the Church. Text LOURDESCATHOLIC to 84576 and make sure you sign up for the Weekly Parish News, as well as the Middle School & High School Ministry groups.

## FOLLOW ON SOCIAL MEDIA

Part of our call as disciples is to echo the Gospel through our words and actions in all our environments, even our digital ones. We strive to do this on a daily basis on our social media channels on Facebook (@bettlourdesym) and Instagram (@lourdesyouthministry). Follow us for daily faith & inspiration delivered right to your fingertips.

WHAT ARE YOU WAITING FOR?  
LET'S STAY CONNECTED IN LIFE AND FAITH THIS YEAR!
