  - a. Mike Puthoff relayed the following by request of Kristin Girkis during weekend cleanup, it was noticed and recommended the LCS sign in the front of school be painted to refresh and possibly add solar power for lighting. Fr Jason said it should be okay as long as there is no change and that they check with the OLOL parish office to coordinate with and alert maintenance. Next step is to coordinate with Fr Jason and Travis (OLOL Maintenance Director.)
  - b. Chuck Ripley asked about cleanup of the awning at the same time and if power washing would be possible. Mike will write up a request for the above sign painting and light, and will include this as part of the request as well.
  - c. Dave Riley thought that Linda Mosher may be aware of a matching fund for this type of work for Bettendorf schools. Fr Jason said he is aware of a program to support upgrading facades and will check into it.

## 7) Strategic Initiatives Update (Puthoff, Veit, Reilly, Snyder, Willits)

- a. Sharing of Service Plan report Nicki Johnson and Mike Puthoff
  - i. Mike and Nicki are on the task force and gave an update of the Service Plan Recommendation. First stage was to research and come back to Home and School Association to approve approach. Second stage is to write up the agreed upon recommendation and bring to the board for approval.

Nicki shared it was decided not to make the recommendation a requirement and for now to recommend and encourage additional participation in service hours and SCRIP. 10-15 hours a year is what they are looking to recommend. They are currently deciding what opportunities to volunteer should be included, such as activities during and outside of school. They are also looking at recommending families purchase SCRIP with a profit of \$150-\$200 per family per year.

Discussion:

Chuck asked how to communicate what is expected to families. He suggested whatever decision is made should be communicated early on, and that if the decision is for participation to be recommended and not a requirement it should be followed up with good effort.

Donica suggested small steps before implementing the recommendation as a requirement.

Rochelle asked to clarify if the recommendation is either SCRIP participation, volunteer hours, or both. Mike said the task group is open to options or recommendations as this hasn't been fully decided.

Fr Jason said what he has found to be effective is the investment of time and sitting down with individual families to get to know them. He would like to continue to have personal conversations that go beyond signing up on paper as a member or student family enrolls to understand each family as each one is unique. Participation for contributions might be viewed more favorably if viewed as an incentive to decrease tuition via "scholarship." Structure is important for people to understand cost and the need for additional contribution as the tuition doesn't cover the entire cost per student. Fr suggested giving a clearer picture beyond tuition-rate focused as the participation message comes across differently.

John stated of the 80 people that responded to the survey, 80% were in favor of a service requirement versus SCRIP, and about half replied with comments which were negative overall. He suggested SCRIP may not be as accepted for a requirement.

Ms. Alongi said options could help with this. SCRIP and volunteering time may work differently for different families. Suggested one-on-one conversation may be most effective to get participation up and maybe the FFB could notify families.

Mike summarized that the intent is both looking for contributions and involvement. Hesitant to say it is a requirement, in part because of not having a tracking system in place. He agreed how the recommendation is worded is important.

Dave Reilly agreed with having one-on-one communication with families. Would anticipate workload should decrease after 1<sup>st</sup> year. He is concerned with SCRIP being an "or" with service hours as both funding and volunteer hours are needs.

Nicki said part of volunteering is the expectation of wanting people to be involved. SCRIP is an easy way to fundraise.

Kevin asked about 2 whys – financial and volunteering for engagement to the community. Asked if the two being presented in tandem could confuse the whys, and asked about rolling them out separately.

Ms. Alongi mentioned if people become more involved and around in person, SCRIP involvement could possibly increase on its own.

Tyler said he thinks the recommendation should be split with the two options of volunteer hours and SCRIP. If one can buyout, then maybe volunteer hours aren't viewed as needed. Possible clarification of how SCRIP money is applied to school expenses. He would like volunteer hours to include service hours in the community.

Dave Kaney asked for clarification if volunteer hours at church would count and all were in agreement of yes.

Rochelle suggested a list for service hour ideas and examples be developed.

Dave Kaney suggested a credit for volunteer hours in terms of monetary equivalent to \$150-\$200 might be a positive way to market for involvement.

Donica has been working the SCRIP program this year and thinks there may be better involvement overall by her observation. St John Vianney has increased their participation in SCRIP significantly this year. Thinks maybe SCRIP is on the right track, and suggested to focus on the volunteer aspect for now.

Mike concluded the discussion with offering that he and Nikki would come up with a plan to bring back to the board. Nikki will discuss within the week with Home and School Association.

Nikki said Home and School Association could add the request to this year's Starry Night fundraiser. Ms. Alongi stated it is also an option to write up an additional grant request for flooring, ceiling and lights to add to the SCRA funding. Mrs. Mesick asked if new flooring, ceiling, and lights are needed. Ms. Alongi responded that it would complete the package and make the science lab a potential attraction for the LCS Middle School.

### g. Pastoral Council Report (Teresa Heden)

### 11) Principal Report

- a. See report
  - i. Recommended 2017-2018 Preschool Tuition Rates: Small tuition increases recommended for 3-yr old Preschool classes. Comparative tuition to area Catholic schools. 4-yr old non-qualifying tuition (including out of state and others) recommended decrease from \$3000. Shared concern that if tuition rate is too high for 4-yr non-qualifying Preschool, it may inadvertently force a family to advance a student to Kindergarten when the student might not be ready. Passed along that Sheryl Lackey is in support of Ms. Alongi's recommendation given the consideration of the possible unintended effect.

Chuck said he has some concern over a decrease in tuition. Mike asked about what percentage of students fall into the non-qualifying category. Ms. Alongi said she has more concern that limited financial implications may be driving the

choice versus readiness. Financially this can be a split with tuition and wraparound care.

Dave Reilly asked how \$2400 (proposed new rate) compares to other area programs. Ms. Alongi said others that have traditional Kindergarten have rates that are lower. Dave asked how the \$2400 (\$600 decrease) was decided and if this is a competitive rate with alternatives in the area. Ms. Alongi said it is a split of the difference from the \$1900 tuition 2 years prior when it was intended to not make it cost prohibitive to have an additional year in the 4-yr old Preschool program. There is difficulty in making a comparison to 4-yr old public school programs as they are filled by state qualified children with no additional slots. LCS has slots open for the cases when a state qualifying slot doesn't come into play. The mission of LCS is the K-8 program and these options help nurture and feed into that program. It was asked what cost effect there was with one of the Preschool teachers going from 5 days in previous years to 4 days this year. Ms. Alongi responded that the 5<sup>th</sup> day this year is for prep time with the significant workload of two required assessments for the statewide Preschool program. Area schools do also have 4-day programs. John noted the increase per day is lower than area comparable rates when broken out by day, and Kevin asked if the cost of care is cheaper for 2 versus 3 days. Ms. Alongi said she is hesitant to recommend too much of a raise at once and that is why the difference is not exactly proportional. Rochelle agreed that families often compare to the prior year and it might be better to gradually increase. Mike said a task force was assigned to this in the past and the same could be done for further analysis. However, there would likely not be time to gather all the required data to look at adjusting the recommended rates in time for the upcoming school year. Ms. Alongi said she feels the rates are competitive and fair. Mike asked to move forward with what Ms. Alongi provided for recommendations and can revisit the approach for the future in March. Ms. Alongi pointed out this also goes to the Parish Finance Council for approval. Motion to accept 3 yr old and 4 yr old Preschool recommended tuition rates made by Rochelle Schrader, second by John Leinart, and approved by board.

- ii. Recommended 2017-2018 K-8 Tuition Rates: K-8 recommended increase is slightly less than 5% at 4.5%, as well as changes to additional children rates. Diocesan Catholic Schools met to coordinate recommendations and this year it was recommended to start decreasing the discount for additional children, with the plan by 2021 to reach 85% for 2<sup>nd</sup>, 65% for 3rd, and 10% for 4<sup>th</sup> children and additional. There was concern mentioned within the Diocesan group that ESAs may pass and there was consideration to charge what is truer to cost so that there wouldn't be exclusion from ESAs. Recommended non-parishioner rates are to reflect the true cost per child, and LCS does feel that is how it is currently aligned. Catholic tuition percentage increases are the same for each school, but not necessarily for the non-parishioner rates. Dave Reilly asked if the 4.5% tuition increase is in alignment to the anticipated increase in teacher salaries. Ms. Alongi replied yes. Motion to accept K-8 recommended tuition rates made by John Leinart, second by Dave Reilly, and approved by board.
- iii. Recommended eliminating the discount for 2<sup>nd</sup> child for non-parishioner rates versus the previous 80% rate. When applying for STO, you include what would be paid (80% versus 100%) so there is money available as the increase would be reflected in the potential aid. Dave Reilly asked if other schools are consistent in their per child rate. St. Paul's may give a \$300 discount but also have a separate category for non-parishioner Catholic rate, while others do not for additional

- children. Motion to accept \$5600 non-parishioner K-8 recommended tuition rate with no discount for additional children made by Chuck Ripley, second byDonica Mokosak, and approved by board.
- iv. Recommended no change to Lourdes Little Lancer Care and Before and After School Care rates. They are comparative to other area schools. Motion to accept recommendation by John Leinart, second by Donica Mokosak, and approved by board.
- v. Chuck noted the forecast based on family responses for intentions to return would suggest two 1<sup>st</sup> grade classrooms may be needed next year. Ms. Alongi confirmed the anticipated need for two 1<sup>st</sup> grade teachers. She is also watching the 4<sup>th</sup> grade potential class size increase with 29 versus the current 24. Donica asked what grade the typical decline in students occurs, and Ms. Alongi said it is typically 6-7<sup>th</sup> and 7-8<sup>th</sup> grade transitions. She has also been following up with families that haven't responded to the email about whether they intend to return next school year. The responses so far support being able to offer contracts to existing teachers with some shifting of teachers for particular grades, which appears doable. Anticipated class size numbers and feedback in general were discussed.
- vi. Recent water damage from leaking of the roof loosened some of the structure and there has been asbestos found around the beams in the back corner of the library. Phase 1 ?? inspections were done which verified and recommended to leave the area sectioned off in plastic. The previous report from June 2014 from Abatement Specialties will be pulled to see what was reported at that time. Since the exposed asbestos was wet, the procedure is for it to be left alone. There were stuffed animals and bean bags in the area, which have been discarded. Extra precaution was taken to seal the area and teachers were advised and agreed to proceed with it as sealed. More information will be shared as it is found out. Travis (OLOL Maintenance Director) will continue to handle this.

#### From Kris Girskis:

At our last home and school meeting, it was brought to my attention that there were two LCS Facebook pages. I figured out that since we had not "verified" our FB page, when people "checked in" on fb at Lourdes, there was a generic page generated for all of those check ins. I have since verified our fb page, so you will see a check mark next to our LCS page. Facebook has a glitch in their system, I've reported it to them - we are in the process of merging the two pages. For now, if someone selects the other LCS "check in" page, it automatically redirects them to our verified page.

In the same respect, I noticed that when I googled LCS, our website was not showing up in the result bar where it says "call, share, directions". I needed to verify our business with google. That is done now, so you will see the website option on the bar AND it will move our website up in google results.

Below is the Athletic Boosters Report for December 2016:

### **December 2016 FFB Report - Athletic Boosters**

Given that this is a short turn around for meetings, I will highlight the notes for the Athletic Boosters.

#### Vollevball

- New Uniforms were purchased through LogoPro. The jerseys consisted of a new uniform top, uniform shorts, and uniform warm-up jerseys.
- December 6, 2016 will be Pack the Gym Night. All admissions will be donated to the Student Council for the Toys for Tots Drive.
- December 11, 2016 will be the finals of the volleyball tournaments. The 6th grade will be at St. Joes and the 7th and 8th grade tournaments will be at Assumption High School.
- The Pack the Gym Night information has been sent out to the other ADs to inform their parents about this special event.
- This past weekend's volleyball games were cancelled due to the snow. This was a joint decision from all of the ADs in the Diocese.

## **Boys Basketball**

We currently have three coaches for basketball - Brian Carber, Anthony Allison, and Steve Weitz. We will have one sixth grade team and one eighth grade team. Options for the 7th graders playing basketball include combining with the sixth grade team and splitting up into two teams or combing with the 8th grade to have one 7th/8th grade team. I am speaking with all three coaches to see which option would be most beneficial for the students. Whatever the decision may be in regards to this would have to be approved by the other ADs in the diocese. The season will begin after the Christmas Break.

## **December Trip**

The interest email (2 emails on November 27th was the first email) went out to parents in regards to the trip to Des Moines. The trip is offered to students in grades 4-8 as well as the youth ministry students. An additional informational email will be sent out this week to garner interest from families. Currently, only one student has expressed an interest in going. The main reason for this would be the timing of the trip. In order to get more student involvement, the trip would need to be during the school year, but I will continue to reach out to families to see if there is any other interest. Any ideas about gaining student involvement, I am more than open to.

### **Events Being Planned**

- College Football Pick Em Contest will be emailed out this week.
- Selecting dates for the 3 on 3 tournament to be in March around the time of the NCAA March Madness tournament. Again, this tournament will be open to parents and students in grades 5-8 (boys and girls).
- December 19th is the End of the Season Banquet for Girls Athletics. After this banquet, we will have a meeting for anyone interested in finalizing details for the Road Race in March.

I will not be able to attend the meeting. We will be hosting Pack the Gym Night. If there are any questions regarding athletics, please let me know. Have a great rest of your week!

### Leadership of School Culture and Instruction:

- 1. Staff Christmas Party will be December 16<sup>th</sup> after school in the PAC.
- 2. Iowa Assessments and make up tests have been completed this week in grades 2-8. They will be mailed in for scoring this week.

## Managerial Leadership:

- 1. No new qualified candidates have applied for the Director of Extended Care, nor for Site Supervisor of Extended Care.
- 2. Working on staffing scenarios for next year. My best guess is a need for a second 1<sup>st</sup> grade teacher as I anticipate at least 28 1<sup>st</sup> graders next year.
  - Survey emailed "Planning for 2017-18" Nov. 14, Nov. 21, Nov. 22 to Prek parents and to 1<sup>st</sup>-7<sup>th</sup> grade parents.

## • Prek to Kinder:

- 7 Prek parents have not replied;
- 10 are definitely sending their PreK child to Kindergarten at LCS,
- 5 parents are leaning towards another year of Prek,
- 7 parents are "probably" going to send their Prek student to LCS for kindergarten,
- 33 are probably or definitely not going to send their child to LCS for kindergarten, and
- 6 parents are still deciding what to do.

## • Kinder thru 7<sup>th</sup> to 1<sup>st</sup> thru 8<sup>th</sup>:

- 13 students (from 11 families) have not replied;
- 155 students' parents said they will definitely send their children to LCS,
- 21 students' parents said they are "probably" going to send their kids to LCS,
- 8 students' parents (from 6 families) said they are probably or definitely not going to send their children back to LCS, and
- 6 students' parents (from 3 families) said they are still deciding.

3. LCS was awarded <u>\$35,785</u> towards our new science lab. This is over \$11,000 less than we had requested. We should be able to proceed with the remodel, but we will not have enough money to include the flooring, ceiling, and lights.

## Public Relations/Marketing Leadership:

1. See Chuck's marketing report.

## Faith Formation Leadership:

- 1. Students ages 5-14 have the opportunity to submit an entry for the Knights of Columbus Keep Christ in Christmas poster contest. Due tomorrow, December 7.
- 2. We would like to schedule a reconciliation service with Fr. Jason and guest priests for grades 3-8 before Christmas, but it may be difficult to schedule.

## **Closed Session**

- 1. Two items
- 2. Families not coming back
  - a. They are updating me
- 3.
