Administrator Updates (Ms. Alongi / Mrs. Paul)

- The School Board meeting is coming up and an email will go out to all families to inform them we are changing from volunteer based education to required. This will be for core classes, elective classes will still have work given as these teachers are still being paid and are working. Some families will do these assignments some may not, but the ideas for assignment still need to be provided.
 - Question was raised about students that may need more assistance in getting work completed, perhaps they were receiving an IEP before, what can those families do?? Ms. Alongi said she will have teachers reach out and see what accommodations can be made. All families should let their teachers know if they need help. Everyone is still available, reach out with questions or concerns.
- Registration is looking really good compared to previous year. Next year's 2nd grade is on the cusp, down 5 families, one is moving.

Teacher Updates (Mrs. Behnke / Mr. Jost / Mrs. Gustafson)

- Thank you for all the food during conferences before break.
- Ms. Gustafson mentioned that the early ed families have all enjoyed the zoom conferences and all the support they are receiving.
- Thank you to all the families for all the support and help navigating this new way the best they can.
- Reminder to all families, reach out with questions or to ask for help, or just if you need a pep talk!

- To kick off the weekend we will have a Facebook live drawing for the student raffle baskets and the 5 SCRIP raffle ticket winners. The link should be visible to all even without a Facebook account.
