

JANUARY 30 – FEBRUARY 5, 2023

Dear Parents,

A note from Miss Duda and Mrs. Jondle:

Happy Monday Parents and Students. This is an FYI about morning drop off. Thank you to everyone who has had their children ready to get out of their vehicle as they pull up to the school building. The school building is just past the church. Look for where the morning teachers are located. Students can exit the vehicle once they reach the sidewalk. In inclement weather, the outside teachers will take turns at the crosswalk. The other will be at the doors supervising in case of emergency. Please have your students zipped and backpacks on before turning into the school. Thank you.

Thank you,

Kim and Carrie

Morning Duty Supervisors

Inclement Weather Announcements for Lourdes Catholic School

Although it is more than a week out, there appears to be some weather forecasts about a possible cold spell near the end of this month. If this does play out, please review the following information regarding inclement weather and emergency dismissals or closures.

If there should be a weather related late start, early dismissal, or school closure, this information will be sent out via email and through the local media stations. The automated message goes to all primary contacts and is shared as soon as we can. We also put the information on our website and main Facebook page. Please tune in to local news broadcasts and watch the scrolls for the list of school closures.

LCS follows what Bettendorf Community School District decides as far as canceling school, starting late, or dismissing early. Every effort will be made to email and text all families in the event of an emergency closure.

Please plan ahead. Be sure your student knows where he/she should go in the event of an emergency closing. You are encouraged to make these plans and arrangements in advance before facing a school closing.

Scott County Catholic Schools and St. Ambrose University 8th Grade Career Fair

School counselors for the Scott County Catholic Schools are asking for your help as we begin preparing for our annual 8th grade career fair which will be Friday, March 3rd, 2023 at the St Ambrose Rogalski Center. Presenters are needed for a variety of careers! Presenters are asked for a time commitment of 8:15am-1:30pm. We ask you to prepare a booth with information about your career (job duties, professional expectations, hours, required education/training, likes & dislikes, etc). The students always enjoy hands-on activities as well! Students rotate in groups and complete a career questionnaire about each booth they visit. A thank you lunch will be provided for presenters and an invite to join us for the celebration Mass at 1:30 at Christ the King Chapel on campus is extended to presenters. If you are interested in helping out or have questions, please contact Mrs. Johnson at leigh.johnson@lourdes.pvt.k12.ia.us

Please take a few minutes as a family to reflect upon this week's scripture verse for February 5, 2023:

Jesus said to his disciples:

"You are the salt of the earth. But if salt loses its taste, with what can it be seasoned? It is no longer good for anything but to be thrown out and trampled underfoot.

You are the light of the world.

A city set on a mountain cannot be hidden. Nor do they light a lamp and then put it under a bushel basket; it is set on a lampstand, where it gives light to all in the house.

Just so, your light must shine before others, that they may see your good deeds and glorify your heavenly Father." ~Matthew 5:13-16

Have a faith-filled week!
